Case Study

Creation of a new Brand

Category :
Automotive & Industrial lubricants

Inspiration

The client's Vision is to deliver international product and service experience to the affluent Indian consumers by offering a wide range of Gasoline and Diesel products

He wants to make his company The No.1 Player in India in Automotive Lubricants, Additives and Industrial Lubricants and to be the preferred business partner of the leading global brands.

The Products are imported from Russia and Italy.

Insights from Market Research

- Lot of Domestic and International Players in the Lubricants market in India
- The Established Players spend heavily on Advertising
- Russian Brands had no traction in the market
