Creation of a Kids School Brand

Brand Positioning, Name, Slogan , Logo, Mascot

Inspiration

Our client had expertise in the education sector

He wanted to start his own Play School for kids which enhanced the lives of the children in a meaningful way.

It was the objective that the parents got the best value for the money by selecting this Play School

Insights from Market Research

- There were around 300 or more competitors in the city
- Many successful playschools leveraged the reputation of their teachers
- It has become a status symbol regarding the social statement of the parents
- Enormous marketing spends by some national level players who operated in Multiple cities including in Ahmedabad.
- It was a challenge to break the clutter.

Creating Differentiation through Positioning

We created the Brand Positioning based on the fact that every child is UNIQUE and has different talents, capabilities and potential

Also the Objective of a successful life is wealth which includes knowledge, wisdom, experience, material and social upliftment
