Brand Objective

youra

Our client wanted to launch a Evapes Brand in the Canadian and International Market

There were different products with various benefits to be launched under the Brand

Considering the overall impression of the product category, the challenge was to communicate the Value Proposition in a COOL way.

Brand Analysis

Creating a positive aura here which the Brand Name depicts.

Youra= Your Aura

A positive feel had to be communicated

Brand Design Implementation

Logo Design was created on the concept of tranquility, a reference to the type of concentric circles felt during deep meditation.

The Colour Palette was developed accordingly.

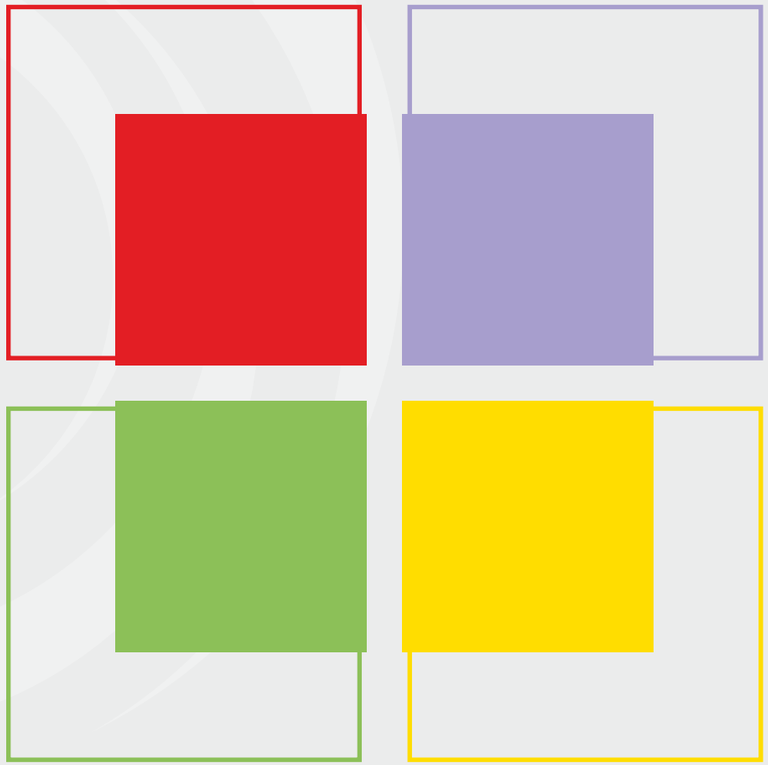

The Packaging Design represented a soothing sensation through use of pleasant colours.

The Brochure Design depicted the essence of relaxation and also highlighted the specific benefits of the variants.
